WARRANTY DETAILS

The materials and workmanship used in the construction of the Wearwell® products above are backed by a lifetime warranty under normal conditions. If the purchaser discovers a defect in the materials or workmanship of a Wearwell® mat, Wearwell, Inc. will, at its own discretion, either:

- i.) repair the nonconforming product,
- ii.) replace the product with the same or substantially similar product, or
- iii.) reimburse the buyer for the purchase price of the nonconforming product based on the expected useful life of the product

Wearwell reserves the right to inspect the non-conforming mat(s) before repairing, replacing or reimbursing the buyer. Therefore, at the preference of Wearwell, Inc., the mats must be returned or available for on-site inspection. Modifying or installing the mat may void the warranty. The decision to void this warranty will be made at the sole discretion of Wearwell. To the maximum extent permitted by law, Wearwell's liability shall not exceed the purchase price of the product; Wearwell shall not be liable for any incidental, consequential, special, and indirect or punitive damages (including without limitation, damages from lost business, profits or goodwill).

EXCLUSIONS

Does not apply to custom made flooring or damage as the result of freight, inappropriate use, tampering, improper installation, loss or normal wear and tear.
